Omani employees to the great job opportunities that will arise in Duqm.”

The Duqm PAC will be a key enabler and infrastructure for all investors and projects in Duqm who can be assured that employees are taken care of to international standards so that they in turn can focus on their core activities.

Thomas said that the project has been developed with a long-term strategy and any shortfall in demand due to prevailing circumstances like the falling oil prices will not have a major impact on the sustainability of the Duqm PAC. He said the company is in

talks with major projects like the Duqm Refinery that are coming up to offer affordable accommodation to their employees. The room rates will range from RO 4.620 per day (Sharing) to RO 9.240. There will be single and executive options.

Earlier, Yahya bin Said al Jabri, Chairman, Special Economic Authority at Duqm (SEZAD), visited and reviewed the progress of Duqm PAC.

Meanwhile, the group company Topaz will be listed probably in the London stock exchange at the appropriate time over a period ranging next two to three years.
