Hygiene Policy

The Company shall:-

- Protect the health of its employees, clients and customers by providing excellent hygiene standards.
- Comply with the food hygiene - code of practice as stated in the company HSE Manual.
- Comply with hygiene rules and regulations of customers and clients alike.
- Comply with the law and legislation of the country.

The Company shall pursue this policy through:-

- Visible management commitment.
- Effective training and motivation.
- Involvement and contribution of all staff.
- Providing adequate facility, equipment to maintain the premises in good hygienic condition at all times.
- Conduct daily staff personal hygiene inspection checks.

The Staff shall :-

- Maintain good personal hygiene, general health and have a clean and smart appearance.
- Follow good hygiene practice habits in the work place i.e. correct hand wash procedure
- Wear clean and approved protective clothing in the work place in line with company dress code.
- Report any adverse health condition no matter how insignificant it may appear, in addition to routine medical check-ups as and when required. Individual returning after an illness shall submit a fitness to work (FTW) certificate from an approved medical centre.

The Company shall be guided by the following principals:-

- Food Hygiene – Code of Practice, which is an integral part of the company's prime business objective.
- Food poisoning and food borne illness is unacceptable and shall be prevented by taking all necessary steps to keep the work environment hygienically clean and free from bacteria.
- Maintaining high standards of hygiene shall be a line management responsibility.
